Development on non-hurting weapons

*594. SHRI S. AGNIRAJ: Will the Minister of DEFENCE be pleased to state:

(a) whether it is a fact that the US Defence Department has developed a satellite dish type weapon which, when fired, causes burning sensation to human being without actually burning them;

(b) if so, whether our Government have any plans to develop similar weapons for using the same against terrorist and anti-social elements; and

(c) if so, by when this system of weapons would be developed and put in use?

THE MINISTER OF DEFENCE (SHRI JASWANT SINGH): (a) there are media reports about development of such a system.

(b) No, Sir.

(c) Does not arise.
